## MCB HAWAII MILITARY ACADEMIC SKILLS PROGRAM (MASP)

**WHAT IS MASP?** A four-week, daytime, in-the-classroom course that delivers 120 hours of writing, reading comprehension, and math curriculum. Material ranges from 8th grade through 12th grade.

**WHO SHOULD ATTEND MASP?** Marines with a ASVAB General Technical (GT) score of **99** or below have *priority enrollment*. A GT score of **100-119** will be placed on standby. MASP is not appropriate for those with GT scores of **120 or above** – those Marines are encouraged to use Tuition Assistance and take CLEP & DSST exams for academic credit. The free Online Academic Skills Course (OASC) – the online version of MASP – is also available. Please see the Education Center for more information on OASC.

**WHEN IS MASP?** Monday – Friday, 0800 – 1500 (with 1-hour lunch). See 2025 MASP Calendar on back.

**WHERE IS MASP?** MASP is conducted in the MCB Hawaii – Kaneohe Bay Education Center (Bldg 220).

**WHY DO MASP?** Marines and Sailors take MASP for many different reasons, including work performance improvement, advancement, qualification for lateral MOS moves, application to specialized schools, officer candidacy, preparation for college-level courses, and/or as an academic “refresher.”

### OTHER IMPORTANT THINGS TO KNOW ABOUT MASP:

- \$40 cash enrollment fee paid to the Hawaii State Department of Education’s (DOE) Waipahu School for Adults – Windward Campus, to cover course materials. MASP is a partnership with Hawaii DOE.
- 100% attendance (barring emergencies) is essential due to MASP’s intense, accelerated curriculum.
- Due to the academic demands of MASP, we respectfully ask that units not place participants on overnight duty from Sunday through Thursday.
- 100% accountability of the Marine or Sailor is paramount and taken very seriously by our team.
- Family members and on-base civilians may attend on a space-available basis.
- If you have any questions, please contact the Education Center at (808) 496-2158.
