

Welcome

The Medal of Honor Golf Course offers an award winning 18 Hole Championship golf course that stretches over 200 acres of naturally wooded, rolling terrain. The course features doglegs left and right and subtle elevation changes that place a premium on properly judged approach shots to small, aggressively positioned greens. Our facility also offers a short game practice area which includes a putting/chipping green, a full length driving range complete with in-season grass tees, artificial turf mats, a covered practice area for inclement weather, and fully operational lights to accommodate night time practice. The Medal of Honor Golf Course offers tournament packages, lessons, classes, leagues, club fitting and more.
