Patrons on the stand-by list will not receive priority over those with existing tee times.

Reserved Tee Times for MCBH Active Duty: During weekends and holidays two (2) tee times are reserved in the morning for active duty personnel assigned to and supported by Marine Corps Base Hawaii. These times are scheduled at 0730 and 0830 and are designed to accommodate our active duty personnel on a first-come, first-served basis.

Group Play: Advance bookings are made for groups seeking three (3) tee times or more. Groups may submit reservation requests up to one (1) year in advance. Groups must have at least one (1) authorized patron to book the reservation. Group play will not be booked before 1000 on weekends and holidays. Fivesomes are allowed Monday-Friday, but not on weekends and holidays (foursomes only).

Tournament Play: Tournaments that book 18-hole shotguns and provide a minimum of 144 players (maximum of 160 players) will have exclusive use of the golf course. This means the 18-hole golf course will be closed to regular patrons until tournament play has concluded. All other tournaments will be modified to allow regular patrons (NO EXCLUSIVITY) by utilizing unused course capacity during tournament operations. Tournaments are not conducted on Weekends and Holidays. A minimum guarantee of 144 players is required to schedule a tournament on Fridays.
