MISSION STATEMENT

The mission of the USMC School Liaison Program is to promote awareness of the unique educational needs of military connected children.

SCHOOL LIAISONS:

- Develop, coordinate, and engage in school and community partnership initiatives that foster academic success.
- Increase educator and community awareness of the Marine Corps mission.
- Serve as the commander's subject matter expert and point of contact for prek-12 education related matters.
- Provide military families and students with school transitions and academic support information and resources.

SERVICES

School Liaisons network, educate, and work in partnership with local schools to enhance the school-age education experience. The School Liaison provides military commanders with the support necessary to coordinate and advise military families of school-age children on educational issues and needs, and to assist in solving prek-12th grade education-related problems.

THIS SUPPORT INCLUDES:

- Provide direct assistance to military families with school-aged children in grades preK – 12.
- Educate schools and communities about the needs of military-connected school-age children and military family life.
- Build collaborative relations between command, installation and community.
- Maintain direct contact and develop relationships with school/district personnel
- Provide information about school options; and educational services, programs, and resources on-and-off base.
