SIMPLIFY YOUR MOVE WITH USPS TOOLS

**Make your permanent change of station (PCS) move smoother with these essential USPS moving, shipping, and mail management tools.**

## MANAGE YOUR MAIL ANYWHERE

### **Forward your mail in minutes:**

Set up your official change of address so nothing gets missed

### **Preview your mail before it arrives:**

Sign up for Informed Delivery and stay in the loop—wherever you are.

### **Pause deliveries during travel:**

Put your mail on hold during a move.

## SHIP SMART DURING YOUR PCS

### **Send packages from home:**

Use Click-N-Ship to print labels and schedule pickups.

### **Order free military shipping supplies:**

Get boxes and materials designed for APO/FPO/DPO moves.

### **Check shipping prices ahead of time:**

Plan your budget with current USPS rates.

## OCONUS & MILITARY MAIL ESSENTIALS

### **Understand APO/FPO/DPO mailing guidelines:**

Learn how military mail works overseas.

### **Be aware of shipping restrictions & HAZMAT rules:**

Avoid delays by knowing what you can and cannot ship.

### **Be mindful of international shipping restrictions:**

Stay compliant when sending items abroad.
