

OFF INSTALLATION PROGRAMS

Veterans Readiness & Employment

Provides service members with vital career assistance—including job training, resume building, and employment accommodations—as well as specialized tracks for entrepreneurship and independent living.

Employment Navigator & Partnership Program

Assists transitioning service members and spouses to secure meaningful, long-term careers through dedicated, one-on-one coaching. From initial career exploration and professional resume reviews to identifying key industry credentials, you have a partner with you every step of the way.

Marine for Life Network

Helping transitioning service members and their families conquer their post-military goals while building a lasting civilian career. M4L connects transitioning Marines and their families with top-tier education resources, meaningful employment opportunities, and comprehensive Veteran services.

HUD-VASH

A collaborative partnership between the U.S. Department of Housing and Urban Development (HUD) and the Department of Veterans Affairs (VA). This program pairs permanent housing choice vouchers with dedicated VA case management to help Veterans experiencing homelessness, or at risk of homelessness, find secure and sustainable independent living.

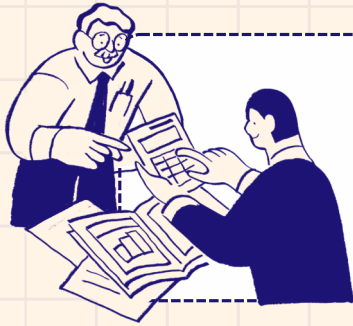

VA Liaison

Stay connected to the mental health resources you need as you transition to civilian life. Receive continuous care through smooth handoffs to VA and community mental health providers, one-on-one case management tailored to your needs, and instant connections to verified Veteran support groups and local clinics.

ON INSTALLATION PROGRAMS

Personal Financial Management

Supporting transitioning and active-duty Service members and their families on their journey to achieve financial stability and build long-term wealth with free, one-on-one personalized financial advisement and education.

Direct Affiliation

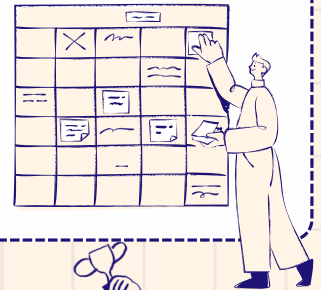

Allows active-duty Marines transition directly to the Marine Corps. Reserve Component. Benefits include:

- Up to \$25K signing bonus
- Duty station preference
- Lateral move opportunities
- 6 month Tricare extension
- Travel cost reimbursement (drill commutes)

DoW SkillBridge

Connect with leading industry providers for real-world work experience. Gain invaluable insight and hands-on training within the civilian sector through tailored apprenticeships, industry training, or internships—all during your final 180 days of service.

Boots 2 Business

Learn exactly what it takes to start and sustain a successful business. This entrepreneurial education and training program provides a comprehensive overview of business ownership, equipping you with the tools and knowledge to succeed. Contact the TRP office to register.

Marine Corps COOL

Translate your military expertise into industry-recognized credentials within your MOS. COOL connects you with the certifications and licenses needed to maximize your readiness today and bridge the gap to a civilian career tomorrow.
